

Dignity for All Students Act (DASA): An Overview

The Dignity for All Students Act (DASA) is the law that requires all school districts in the State of New York to provide all students with an environment that is free from harassment and discrimination. This workshop takes an in-depth look at the specific provisions of DASA, including the newer interpretations that address the needs of transgender and nonconforming students. Specific topics covered include types of prohibited conduct, classes of protected students, hostile environments, conduct off school property, the role and responsibilities of the DASA Coordinator, reporting obligations, investigation requirements, and liability for inaction.
