School Violence Prevention And Intervention Workshop Two-Hour New Teacher Certification

2009/2010

Candidates applying for New York State teacher certification must complete two hours of coursework in school violence prevention and intervention. Putnam/Northern Westchester BOCES is providing a two-hour certification course for new teachers to meet this requirement. A certificate will be distributed to participants at the completion of the course.

The course is an overview of:

- The warning signs within a developmental and social context that relate to violence and other troubling behaviors in children
- Statutes, regulations, and policies relating to a safe nonviolent school climate
- Integration of social and problem solving skill development for students to promote a nonviolent school climate and enhance learning
