ENL Immersion Program

The ENL Immersion Program at the Tech Center at Yorktown is for high school students who have recently arrived from other countries and need to learn English. Listening, speaking, reading, writing and non-verbal communication skills are developed to help students further their education and facilitate career success. Students learn English while either earning high school credit or, for Spanish speaking students, engaging in Spanish TASC preparation.

Students may sign up for either a:

◆ 2-Hour Program

2 Hours English Immersion

◆ 4 Hour Program

*Minimum 70% final average is required for admittance into Spanish Cosmetology II. Students must be 17 years of age and a legal resident of New York State to sit for a New York State Cosmetology licensing exam.

Alternate Options/TASC

Alternate Options/GED is a program for students who choose not to pursue a traditional high school diploma. This course is designed for 16-20 year olds and is taken in conjunction with a Tech Center class. Students must qualify for this program and are tested prior to admission. Alternate options classes begin in September, November, and March contingent on enrollment. Applications for this program must be completed by the home school district counselor.
