We provide high quality, COSER-aidable printing and reproduction services for area school districts.

Posters, newsletters, literary magazines, playbills, handbooks, calendars – you name it. PNW BOCES Educational Printing Service does it all.

We provide high quality, COSER-aidable printing and reproduction services for area school districts.
By employing competitive, high volume bid-based purchasing, the Educational Printing Services can offer a wide range of services at highly competitive prices. Delivery is free through the Putnam Northern Westchester school district delivery schedule and our simplified billing process is handled between the respective business offices.

Full Print Shop Services
The BOCES Educational Printing Service is a fully equipped reproduction facility, featuring 21st century equipment to handle a wide range of print services.

Full color printing
We are equipped to print full color documents of almost any size from postcards and newsletters to 48" wide photographic quality posters.

Black and White Printing
For more economical jobs, we offer black and white printing at almost any size up to 48" wide posters.

Binding
We offer a wide range of binding techniques, including stapling, comb-binding and fabric binding.

Postal Preparations
Ready-to-mail services include custom folding, tabbing, labeling and collating.

Laminating
Our laminating equipment can handle documents from 2" long to 36".

Sign making
Display boards, banners, safety signs, exhibit materials.

"BOCES has provided exceptional service in producing our year-end journal for the past several years. Text and photos are crisp and clear. BOCES assists with last-minute changes and delivers the journal in record time. The publication is the highlight of the year for parents and students alike."
- Cindy Gonska, Brewster Varsity Wrestling

"The P/NW Educational Printing Service has always provided us with outstanding service and quality products. As a bonus, the staff is always friendly and helpful."
- Julie Schwartz, Pleasantville UFSD

"The outstanding quality of work, responsiveness of the staff, and the ability to get jobs done quickly and efficiently make the P/NW BOCES Educational Printing Service an important part of our district’s communications efforts."
- Jim VanDevelde, Lakeland School District
By employing competitive, high volume bid-based purchasing, the Educational Printing Services can offer a wide range of services at highly competitive prices.
